

```
ea::Solver< GA, T,  
F, C >::mutation
```

A diagram showing a call to the `mutation` method of the `ea::Solver` class. The call is represented by the text `ea::Solver< GA, T, F, C >::mutation` inside a gray rectangular box with a black border. A blue arrow points from this box to another box on the right.

```
ea::generator
```

A diagram showing the `ea::generator` object. It is represented by the text `ea::generator` inside a white rectangular box with a black border. A blue arrow points to this box from the left.
